About the Internal Quality assurance Cell(IQAC)

As a quality enhancement and sustenance measure prescribed by the NAAC, the college established the Internal Quality Assurance Cell (IQAC). Right from the inception, IQAC has been an integral part in developing a system for conscious, consistent, and catalytic improvement in the overall performance of the College. The IQAC is committed towards internalization and institutionalization of quality enhancement initiatives in higher education. It helps the institution in planning and monitoring.

About the Conference

India is poised to become a global leader by 2047, marking 100 years of independence with aspirations for sustainable, inclusive, and multidisciplinary growth. The vision of Developed India@2047 calls for transformative strategies across various sectors, integrating innovation, technology, education, economy, governance, and social equity.

This conference aims to provide a dynamic platform for scholars, policymakers, industry experts, and academicians to explore and discuss the pathways leading to a Viksit Bharat. Emphasizing interdisciplinary collaboration, the conference will delve into key areas such as digital transformation, environmental sustainability, economic resilience, equitable education, scientific advancements, and India's role in global geopolitics.

By fostering intellectual discourse and policy-driven solutions, the event aspires to contribute towards shaping a progressive, inclusive, and self-reliant India. Participants will engage in thought-provoking discussions, research presentations, and strategic roadmaps to ensure India's emergence as a global "Vishwa Guru" by 2047.
